

# NIH REGIONAL SEMINAR

Program Funding and  
Grants Administration

National Institutes of Health  
Office of Extramural Research

JUNE 20-22, 2012

WASHINGTON, DC

## The National Institutes of Health Announces a 2012 NIH Regional Seminar in Washington, D.C.

### Don't Miss This Exciting Opportunity!

INTERACT WITH NIH/HHS POLICY,  
REVIEW, PROGRAM & GRANTS  
MANAGEMENT EXPERTS  
AND LEARN ABOUT

- GRANT WRITING FOR SUCCESS
- PEER REVIEW AND COMPLIANCE
- ELECTRONIC TOOLS AND RESOURCES
- RESEARCH INTEGRITY
- ANIMAL AND HUMAN IN RESEARCH ISSUES
- FEDERAL REGULATIONS AND POLICIES
- AND MORE!

**Except for a visit to NIH, there is not another opportunity like the NIH Regional Seminars!**

These seminars provide an exciting opportunity to interact with hundreds of your peers, while spending 2 days learning the latest NIH grants policy and process information first-hand.

**Who should attend?** If you or someone you work with is looking for a comprehensive program that provides valuable information about the NIH Grants Process, this seminar is for you.

**Where will this take place?** All sessions will be held in the conference center of the Omni Shoreham Hotel in Washington, DC. The 2-day seminar occurs June 21-22, 2012.

**What are the registration details?**

- **Cost?** Rates range from \$500-575 depending on proximity to event dates.
- **What does it cover?** 2 day seminar; breakfast & lunch; materials; networking event Thursday evening; & time with NIH experts (priceless)!

**What are the optional eRA Hands-On Computer Workshops?** On Wednesday, June 20, 2012, the NIH is offering optional Electronic Research Administration (eRA) workshops. Two different hands-on sessions are offered at \$250 each. These are ½ day workshops and space is limited so sign up soon!

**How do I register?** Program and Registration info is available at [http://grants.nih.gov/grants/regionalseminars/WashingtonDC\\_2012/registration.html](http://grants.nih.gov/grants/regionalseminars/WashingtonDC_2012/registration.html)
